## TECHNICAL SKILLS

- Programming Languages
  - Java, JavaScript, python, C.
- Technologies
  - React JS
  - Django.
  - PHP, Xampp.
  - MySQL.
  - NoSQL(MongoDB)
- Technical subjects
  - OS, Data Structure, Algorithm, OOPs.

## GATE EXAM

I have secured 42 marks in Gate 2022  
Computer science.  
All India rank - 1766

## INTERNSHIP

### Web Developer Intern

PrimaThink Technologies Pvt. Ltd.

September 2021 to November 2021

certificate

here, I have a role of developing responsive web-page (**front-end**) using **HTML, CSS, JavaScript**. It help company in website UI at mobile layout.

Another task was to develop full stack development of library management system. We have to work in group using **slack and GitHub**. My contribution in group was to handle the frontend and managing Database using **PHP, MySQL and Xampp**.

## EDUCATION BACKGROUND

### Computer Science and Engineering.

Shri Ramdeobaba College of Engineering and Management  
Nagpur, India.

**Current CGPA - 8.59**

**Duration 07/2019 - 05/2023**

### 12th - State Board

People's College of Arts and Science.  
Yavatmal, India.

**duration 2018-2019**

### 10th - CBSE

Maharishi Vidya Mandir.  
Yavatmal, India.

**duration 2016-2017**

## PROGRAMMING SKILLS

- **Leetcode** -- <https://leetcode.com/jangirjs/>
  - **500+ DS and Algorithm questions.**
- **Hacker Rank** --
  - **5 star badge**
    - problem solving
    - java
  - **CSS certificate**
  - **Java certificate**
- **codechef**
